

Presentación de

Página de Vacunación

Plan de campaña

STEP 1

Determinación del segmento de población al que va dirigida la campaña de vacunación (población estadounidense de 20-50 años de edad).

STEP 2

Identificación de la mejor plataforma para efectuar la campaña (redes sociales).

STEP 3

Selección del medio digital más ideal para el target poblacional (anuncios digitales).

STEP 4

Elaboración de los anuncios digitales.
